

YOUR TRANS CARE

ABOUT US

Your Trans Care (YTC) is a specialty program for transgender, gender-non-conforming (GNC), & gender queer folks looking for excellent health care!

YTC offers primary care & these unique services for individuals, couples, groups, & families:

Peer support provided by affirming staff.

Trans specific health education workshops.

** YTC's services can be accessed regardless of immigration status **

facebook.com/lovelyYTC

OUR SERVICES

Trans specific services for youth & young adults 12 to 21 years old:

- ✓ Hormone therapy & puberty blockers (administration & management) (for 21 y/o & under)
- ✓ Primary medical care
- ✓ Trans-affirming gynecological services
- ✓ Referrals & coordination assistance for gender-affirming surgeries.
- ✓ Clinical letters of support for surgery (for clinical patients)
- ✓ Medical and non-medical case management
- ✓ Free & confidential individual & couples-based HIV/STI testing & treatment
- ✓ Access to Pre-Exposure Prophylaxis (PrEP)

MEET OUR STAFF!

YTC's Social Worker

Javius Cain (he/him)

(410) 706-4991

javius.cain@som.umaryland.edu

Javius is here to:

- ✓ Help you figure out what you need & what is right for you.
- ✓ Help you access gender-affirming surgery & hormones.
- ✓ Answer all your questions about healthcare & other trans affirming resources.

Javius is your advocate, he's here to for you!
